

MEMBER, IEEE CONFERENCES COMMITTEE: *Appointment, IEEE Technical Activities Board (2-year term)*

Term of office

Two year

Appointed by

Four representatives of the Technical Activities Board, appointed by the Chair of the Technical Activities Board (TAB), on the recommendation of the Division Directors. The Conference Nominations, Appointments and Recommendations (CNAR) reviews TAB nominees reduces the list to $\geq 2x$ the # of open positions, and recommend selection criteria to the Division Directors. Each of these appointments shall be for a two-year term. Two of these appointments shall be made on even-numbered years, and the other two of these appointments shall be made on odd-numbered years.

**NOTE: This revised membership was approved at the TAB Meeting (2021 Nov). To ensure there are four appointment, plans are in year 2023 there will be one serving for one year term and the others will be for two year terms. Then after, each will be for the two-year terms as mentioned above with staggered terms.*

*[*Refer to specific details listed in IEEE TAB Operations Manual – IEEE Conferences Committee Charter](#)*

Qualifications / Eligibility

All candidates for this voting position must be IEEE members of Graduate Student Member, Member, Senior Member or Fellow grade. In addition, they must have demonstrated conference management experience and additional experience overseeing a portfolio of conferences (e.g., serving as the Vice President of Conferences for a Society / Council or Regional Conference Coordinator) is highly desired. Self-nominations are permitted.

Responsibilities / Duties

- Attend and participate in three IEEE Conferences Committee meetings per year and also the monthly IEEE Conferences Committee virtual meetings.
- Assist Chair to ensure Committee is functioning by charter.

The IEEE Conferences Committee formulates and recommends strategies and policies for IEEE conferences and provides oversight for conference-related activities. The oversight responsibility applies to policy decisions across all conference activities and Conferences Committees in IEEE. The Committee makes recommendations on conferences to the IEEE Board of Directors for possible action; monitors compliance and recommends changes to the IEEE Bylaws and IEEE Policies related to conferences, and promotes innovations in and improvements to the IEEE conference ecosystem.

Selection Criteria

While significant conference expertise is required of all candidates, we have a strong desire for the Conferences Committee to include members from underrepresented groups, which includes such factors as gender, geographical region, and professional sector (academia/industry/other). We are particularly interested in people who are creative and innovative, whose vision includes all of IEEE, and who have skills / experience with conferences outside of IEEE's traditional area of strength, which is academic conferences.

Estimated Time Required

- **Travel:** Three times per year, to the February and November Board of Directors Series and to IEEE Convene (in July or August).
- **Teleconferences:** ~Monthly one-hour+ teleconference.
- **E-Mail:** Four hours per week
- **Subcommittees:** Members are encouraged, but not required, to participate in one or more subcommittees. Such participation will generally increase the time required for teleconferences and email, but not travel.

Travel Reimbursement

Financial support shall be funded by IEEE Conferences Committee.

Nomination & Election Process ([View proposed timeline and details](#))

Candidates must complete an electronic nomination form by **mid-March**. The Conference Nominations, Appointments and Recommendations Committee (CNAR) will evaluate the nominations and reduce list to $\geq 2x$ the # of open positions and recommend the vetted slate that will be provided to TAB Staff Support **by mid-April**. TAB Staff Support will share with TAB N&A for review **mid-April** and then Division Directors will elect member(s) **mid-May** at the Division Directors Webex Meeting. The member(s) will be announced at the **June IEEE Meeting Series** as it will be on the TAB consent agenda pending affirmation by TAB.
