

Concur Travel Arranger Quick Start Guide

Concur Travel Arranger Role – An Introduction

The Concur Travel Arranger role allows a Concur user to arrange travel for other Concur user(s) to whom they are assigned. An Arranger must have an active Concur account. The role provides the ability to:

- Manage travel activities (book, check-in, cancel, change, etc.) for all areas of travel (air, hotel, etc.) on behalf of one or more other Concur users
- View and manage itineraries and view TSA and airline status updates for travelers to whom they are assigned
- Assign other Concur users as travel arrangers to a traveler
- Discontinue their own travel arranger relationships

Assigning a Travel Arranger

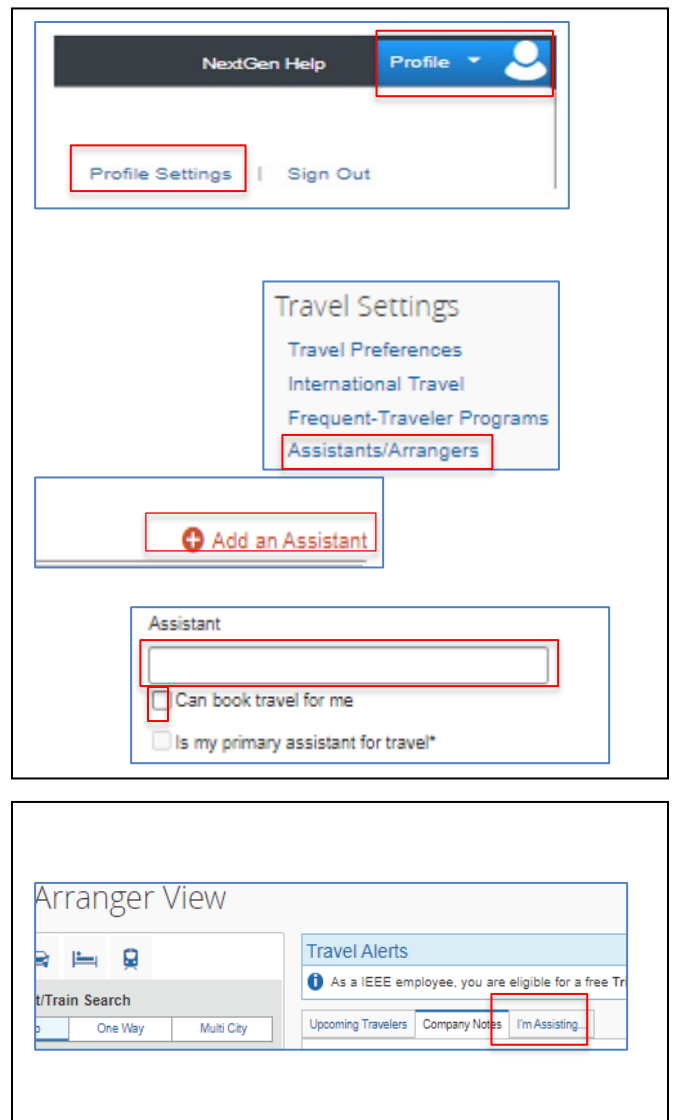

An Arranger can be assigned in one of the following ways:

1. A traveler can assign a Concur user to the arranger role from their Concur Travel page:
 - Click 'Profile' and then 'Profile Settings.'
 - Click 'Assistants/Arrangers' in the Travel Settings section.
 - Click 'Add an Assistant', enter the name, select permission details and click 'Save.'

Once a Concur user is granted permission by the method above, that user will have a Travel Arranger View within their Concur account and can perform the functions in #2, below.

2. An Arranger can now self-assign to other travelers and can assign other Concur users as an Arranger to a traveler:
 - Click the 'I'm Assisting...' tab in the Travel Arranger View.
 - Enter a new name or click an existing name in the list.
 - Click 'Edit' in the pop-up window to open the traveler's profile.
 - Follow the steps in the section above to add an Arranger.

3. A Concur Administrator can assign a travel arranger to a traveler within the system.

Acting as a Travel Arranger

To begin an initial session as an Arranger for a traveler - after being assigned by a traveler or by another Arranger - the user will log out of any existing Concur sessions and log back in. Follow the steps below to enter and exit an Arranger session:

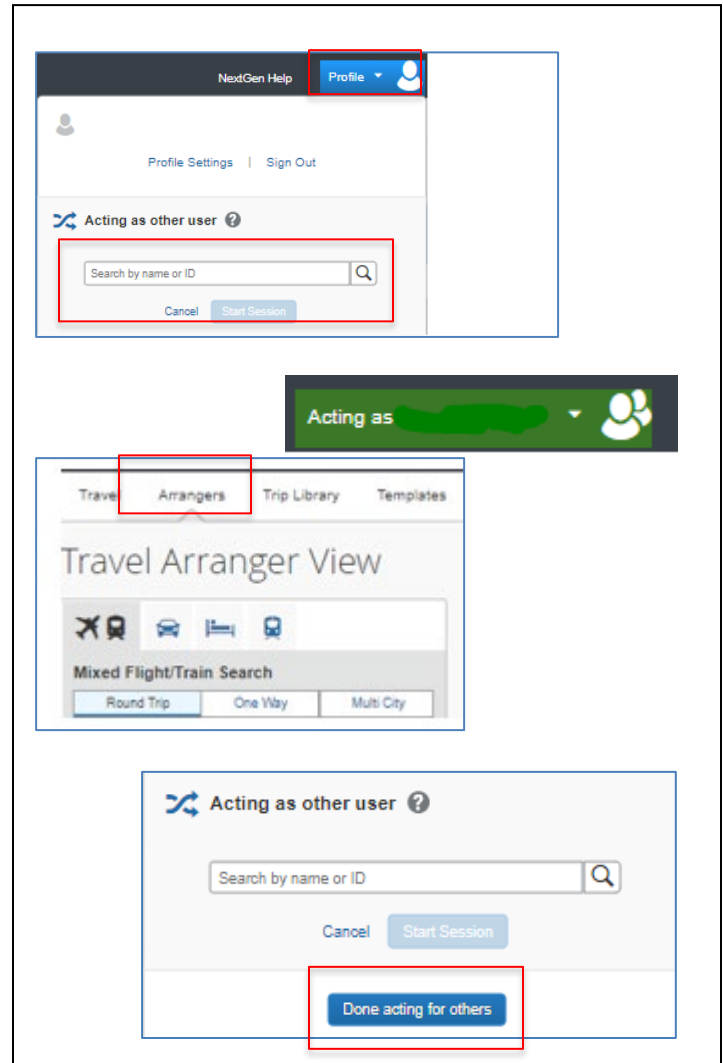

To begin an Arranger session:

1. Click the Profile button and then enter the name of the traveler in the 'Acting as other user' box.
2. Click 'Start Session.' The Profile button will change to a green box with 'Acting as [Name]' and will show a double-user icon.

The Concur home screen of a travel arranger includes an 'Arrangers' tab, from which all actions related to managing travel and traveler profiles can be initiated while in the 'Acting as...' session.

To end an Arranger session:

1. Click the "Acting as [Name] drop-down arrow in the green box at the top of the page.
2. Click the 'Done acting for others' button. This will return the view to the Travel Arranger View tab.

Discontinuing an Arranger Relationship

An Arranger can discontinue an Arranger relationship by clicking the 'I'm Assisting...' tab in the Travel Arrangers View and clicking the trash can icon associated with the traveler's name.
